What does NMBTF do?

The New Mexico Breastfeeding Task Force (NMBTF) is a membership organization with many members engaged through Chapters. The mission of NMBTF is to create supportive environments in which breastfeeding is the cultural norm. NMBTF's vision is a world without barriers to breastfeeding.

The values of NMBTF include evidence-based practice, respect for all, consistent messaging, support, all voices heard, diversity, inclusion, and transparency. The purpose of NMBTF is to bridge the gap in breastfeeding disparities by ensuring all families have the support they need to reach their breastfeeding goals. A breastfeeding culture includes all forms of feeding human/mother's milk, including pumping, donor milk feeding, and milk sharing.

Who are NMBTF's members?

Application to become a member of NMBTF is open to anyone willing to serve New Mexico residents in the promotion, protection, and support of breastfeeding. The membership reflects the diversity of New Mexico and members must comply with the World Health Organization Code of Marketing Breastmilk Substitutes (the WHO Code). Annual membership is granted following receipt of the membership application and dues. Members have voting privileges for all matters to be determined by the membership, including the election of NMBTF Board members and officers.

Chapters of NMBTF are formed within local communities in collaboration with the NMBTF staff and Board. Chapters include NMBTF members and visitors working to fulfill the mission of NMBTF while addressing the needs of their local community.

In order to accomplish the NMBTF mission, members, volunteers, contractors, staff, and Board are nurtured through collegial relationships that respect their individual values and the adversities and biases they have overcome in obtaining health for themselves and their communities. NMBTF is committed to attaining equity, diversity, and inclusion to honor, advocate, and strengthen diversity through training, peer-education, relationship building, open dialogue, and evaluation.

What does the NMBTF Board do?

The Board of Directors supports the entire membership and Chapters by

- Determining the mission and purpose, overall strategies, policies and priorities;
- Overseeing compliance with laws and regulations and fulfillment of contractual obligations;
- Selecting, monitoring, evaluating, and terminating the executive director;
- Monitoring program performance and impact;
- Providing financial oversight, including management of funds, safeguarding assets from misuse and ensuring maximum use of resources; and
- Approving a fundraising strategy and monitoring its effectiveness.

NMBTF has three standing Board committees and may appoint additional, ad hoc, or temporary committees:

The dates and locations of Board meetings align with the quarterly NMBTF Membership meetings.

Board members spend about 15 hours per quarter on NMBTF business, with board officers spending a further 5 to 15 hours more each quarter to accomplish their specific duties. There are three officers of the NMBTF Board: Board Chair, Board Secretary, and Board Treasurer. Board members and officers are elected to serve one three-year term and are eligible for no more than two consecutive terms in the same office. Former Board officers may only run for the same office they previously held following a two-term hiatus from that office; they may hold a different board position during that hiatus.
